

Musings of a Flight Instructor

What's it take to become a CFI?And what are you really getting yourself into. What common errors do CFI's see? ...Including Randy's top 10 list. Along with examples you wouldn't expect. How many of these do you do routinely? I'm sure you do none of them? Or maybe all of them? Just don't admit it? Does it really make a difference?

Directions: This seminar will be located in the Modern Avionics Hanger.
